# General Terms and Conditions: Team Classification

# STUBAI WILD RIDE

# 10 April 2027, Stubaier Gletscher

**1) Categories and team size**

- Categories: Mixed (at least 1 woman in the team)
- Team size: 5 people
- Scoring mode: Best-of-4 (the four fastest times of a team are counted)

**2) Scoring logic**

- Each recorded time per participant counts for both individual and team classification at the same time.
- Team classification: the sum of the team's four fastest individual times gives the team time.
- Individual classification: all participants are scored in full, regardless of team membership.

**3) Registration and changes**

- **NOTE:** When registering, be sure to enter **IDENTICAL TEAM NAMES**.
- Changes: member changes are possible until 6 April 2027, 23:59. After that, changes are only possible in exceptional cases (e.g. injury) with the jury's approval.

**4) Start mode**

- Start according to the event's official start list (no separate team start order).
- No double starts: one run per person; the time counts for both individual and team classification.

**5) Tie-break rule** (if the total team times are equal)

1. The fastest individual time within the team decides.
2. The second-fastest individual time decides.
3. The third-fastest individual time decides.

**6) Classification requirements**

- Minimum number of valid times: at least 4 team members must record a valid time (otherwise there is no team classification).
- Retirements / DSQ: participants without a valid time do not count; the team can still be classified if 4 times are recorded.

**7) Prizes and honours**

- Honours for places 1–3
- Individual top placings remain valid regardless of team membership.

**8) Fair play and safety**

- Compliance with the event rules and safety requirements is mandatory.
- Unsporting behaviour leads to disqualification from both individual and team classification.

**9) Jury and protests**

- Protest deadline: 30 minutes after the last finisher, at the race office in the finish area.
- Payment of a protest fee of EUR 100.
- A statement of the grounds for the protest and evidence (witness / gate judge / video) are required.
