Autumn Programme

October 5 – 30, 2026

HI!

Nice to have you here!

The Stubai is our GREAT home, very BIG indeed. Adventures await us on every corner and in every nook and cranny of the valley. No wonder we adorable creatures love spending time here. We members of the BIG Family live scattered all over the valley – in the treetops, by the rushing streams, on the mountain peaks or in the green valleys. And autumn, too, is a time to enjoy fantastic adventures with us in the Stubai Valley!

WE LOOK FORWARD
TO SEEING YOU!

MON

NATURE EXPLORERS IN KLAUS ÄUELE / 4+

Together, we set off as little nature explorers to discover which animals and plants are preparing for autumn. Through fun games and activities all about autumn, we explore the forest.

TANDEM TRIAL FLIGHT / 10+

FROM 1:00 PM: We're heading high up! If the weather is suitable, our tandem pilot will take you on a short flight ("touch and go"). And of course, anyone who answers the quiz questions correctly will receive a flight certificate.

TUE

MOUNTAIN ADVENTURE AND FUN IN THE SERLESPARK / 4+

An exciting mountain day awaits! At the babbling water streams in Serlespark, we'll build dams and see who can divert the water most cleverly. Who's the best builder?

GEOCACHING AND SUMMER TOBOGGANING / 10+

We're going on a treasure hunt! Using a GPS device, we'll find hidden geocaches and get closer and closer to the treasure. Afterwards, we'll try out the summer toboggan runs in the Stubai Valley (Serlesbahnen Mieders and Elferlifte Neustift).

WED

FUN WITH RIDDLES IN KLAUS ÄUELE / 4+

We'll dive into the secrets of the autumn forest! Using all our senses, we'll discover nature: How many ants live in the anthill? Which leaves make the loudest crunching sound? What colors does the moss have? With the treasures we find, we'll build a mysterious little fairy village.

BIKE TRAINING IN KLAUS ÄUELE / 10+

We'll improve our jumps and balance! Together with our bike guide, we'll explore the area around Klaus Äuele and the new kids' bike park and see what we can do with our bikes.

THU

A DAY FOR THE WHOLE FAMILY AT KAMPLER SEE / 4+ UND 10+

The whole family can enjoy exciting activity stations around Kampler See: crate climbing, sack races, and horseshoe throwing. Who's better — Mom, Dad, or you? Afterwards, you can settle the debate over some popcorn and a drink. You can drop by anytime between 10:00 am and 3:00 pm and have a great time. **NO REGISTRATION REQUIRED. FOR THE WHOLE FAMILY.**

FRI

PONY RIDING AND ADVENTURE PARK / 4+

IN THE MORNING everything revolves around our lovely ponies at Grubenhof. Before taking them out to the paddock, we'll give them a thorough grooming and then saddle them up.

IN THE AFTERNOON we'll explore the marble run at Adventure Park Fulpmes. If you're brave enough, you can also take your first steps on the high ropes in the mini course.

CLIMBING AT TYROL'S FIRST ADVENTURE PARK / 10+
